1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric D. Levinson (35,814) on December 28, 2004.

The application has been amended as follows:

In claim 49, at line 1, please replace "48" with - - 36- - .

In the specification before line 1, please insert - - This application is a continuation-in-part of Application No. 09/055,825, filed on 04/06/98, now abandoned- - .

2. The following is an examiner's statement of reasons for allowance: The amendments of the applicant clearly distinguish over the prior art, which does not evidence the benefit recited, nor provide specific direction to the claimed process of making the high density recording media having the groove structure specified in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Martin J Angebrannt whose telephone number is 571-272-1378. The examiner can normally be reached on Monday-Thursday and alternate Fridays.
